Rent hike cap plan for city's landlords

By Loughlan Campbell

OXFORD leaders have tabled a proposal to block landlords from upping rents to sky-high prices in the city.

At a full council meeting on Monday, Oxford City Council agreed to look into plans to introduce a cap on how much private landlords can increase tenant's rates by during their tenancy.

The Green Party motion aims to make Oxford more affordable for renters.

Green Party councillor Sam Hollick said landlords in the city are split between those who want to squeeze money from residents pocket and 'understanding landlords.

He told the Guardian: "People pay so much of their wages to their landlord in this day and age that it's pushing people on from the city as it is becoming so expensive to live here.

Some landlords want to squeeze tenants out of their money whilst others are more understanding. We want to work with the latter to help make living in Oxford that more affordable.'

Star quarterback is on road to recovery

By Loughlan Campbell

AN AMERICAN footballer from Oxford is hoping to return to his squad this summer after entering remission from cancer.

Ben Deutou 25 of Cowley Road is targeting a return to action with Oxford Saints in July after his treatment for acute lymphoblastic lenkaemia finishes in May.

Denton who was born in Wallingford was diagnosed with the disease in August last year and has since been undergoing intensive chemotherapy sessions despite going into remission last October.

He is the first team quarterback for the Saints and hopes to join the side in the middle of their 2016 campaign.

Ben told the Guardian "I'm feeling good. Things are going quite well at the moment and I've tolerated the chemo reasonably well.

"Sometimes you can feel quite drained as I don't have the same energy but I get blood transfusions which give me a real kick. I see why Lance Armstong had so many!"

The solicitor is being treated at a specialist unit in Churchill Hospital Headington, in cycles of one week on a few weeks off.

But he is still managing to train with his fellow Saints.

He added "I still come down to train with the lads taking over the coaching drills working on fitness with the running backs.

"I can't quite throw a ball just yet but it's good to just be at training and keep myself fit."

Ben's team mates popped in to hospital to surprise him on New Year's Eve while he was there for treatment, before going out on the town.

He said "The boys have been fantastic for me, when they came in it really meant a lot."

And on Sunday the Oxford Sauts hosted a Super Bowl party at The City Arms pub in Cowley Road which Ben managed to attend.

In total 120 tickets were sold to raise money for cancer charity Bloodwise.

Ben has also previously run the London Marathon three times and the Parish Marathon once to raise money for Children with Cancer.

He is looking to returning to work at law firm BrookStreet des Roches LLP based in Milton Park near Didcot this June.

Pair plead not guilty to murder of Kerry Reeves

TWO men charged with murdering Abingdon 26-year-old Kerry Reeves pleaded not guilty at Oxford Crown Court on Monday.

Billy Johnson 20 of Ripon Court in Corby Northamptonshire and Charles Noble 21 from Kempton Avenue in Northolt, Ealing London, both denied the charge at a plea hearing.

A trial is earmarked to start at the same court on May 9 and last three to four weeks.

Miss Reeves was shot in the face with a shotgun on November 3 2015 an inquest heard.

The brutal attack outside flats in Thornhill Walk left her fighting for life at the John Radcliffe Hospital in Oxford but she died two days later of her injuries.

Noble and Johnson spoke only to confirm their names and deny the charge during the 10 minute hearing.

Noble wore a navy blue Nike sweatshirt and navy jogging bottoms while Johnson wore a red t-shirt and grey zip up jacket.

Both men remain in police custody.

'Fear for welfare'

OXFORD A man spotted standing on top of a building by Oxford's Endeswide Square on Tuesday is safe and well following a police 'fear for welfare' incident.

Police were called to Hythe Bridge Street at 11.58am and officers cordoned off the area.

Witnesses described seeing the man speaking to police officers near the roof's edge of Oxford University-owned Beaver House.

Thames Valley Police spokesman Gareth Ford Lloyd said: "I can confirm that the cordon at Endeswide Square and at Hythe Bridge Street was lifted at 2.40pm following a fear for welfare incident.

"A man involved in the incident is now safe and well and is in the care of ambulance staff."

A man who works nearby said during the incident: "There is a man just across from the hotel in Hythe Bridge Street standing on top of the building and there are two or three police officers standing on the roof with him."

The man, who asked not be named, added: "They have been standing up there with him for an hour and a half. Police are all over the place."

The manager of another business in Hythe Bridge Street said: "All I can see from the store is a gentleman standing very close the edge and a police officer is trying to talk to him.

"There are police everywhere in the streets but they haven't told us what is going on."

About five police cars and an ambulance were at the scene.

M40 crash death

OXFORD An Oxford man died on Sunday after his car left the road and flipped while travelling along the M40 near Banbury.

At around 8.20pm a silver VW Golf left the carriageway northbound between Junction 10 and 11, went down an embankment, overturned and ended up on its roof.

The only occupant, a 50-year-old man from Headington, Oxford, died at the scene.

Anyone with information is asked to call PC Sian Pringle from the Roads Policing Unit on 101.

Sainsbury's new store makes it three in city

SAINSBURY'S is set to open its third store within half a mile of its other two shops in Oxford city centre

The supermarket giant has revealed it has lodged an application for a Sainsbury's local store in the former Blacks outdoor clothing shop in St Aldate's

In addition to the plans 133 student flats, 79 of which would be used by Christ Church College, are being built in the five-storey building on top of the new store

The shop would join the Sainsbury's in Westgate shopping centre and the Sainsbury's local store in Magdalen Street

By Loughlan Campbell

Janet Heald, spokesperson for Sainsbury's said "We are looking to build a new Sainsbury's local store in the former Blacks shop

"Offering a range of fresh and convenience foods, the store will bring up to 25 local jobs We will keep the community updated about its progress"

Ms Heald also confirmed that the Sainsbury's in Westgate will remain open as part of the transformation of the new Westgate Shopping Centre Most of the centre is set to close this Spring as part of a £440 million redevelopment

The centre will open in October 2017 with a flagship John Lewis as an anchor department store

Bob Price, Oxford City Council leader said "I think the commercial situation in Oxford right now means that there is big demand for food shops in the centre What this shows is that Sainsbury's believe Oxford to be a truly thriving area for retail businesses as it's where customers are coming to do all their shopping"

Sainsbury's has seven stores in Oxford in total

Plans for the student flats were approved by Oxford City Council in November 2014.

Clothes fire

OXFORD: A woman's clothes were set on fire by an electric heater at a house in Abingdon Road on Monday

Three fire crews from Rewley Road and Slade Park fire stations were at the scene just after 7pm and provided medical help after her family smothered the flames to prevent any serious injuries

Watch manager Simon Piper said "The family were very quick to respond to this lady and due to their actions her injuries are limited"

Cowley assault

OXFORD: A man has been arrested after a teenager was attacked near a restaurant in Cowley Road last Thursday

The 19 year old victim was assaulted near Bodrums and Peri Peri Chicken between 9pm and 9.30pm He suffered a cut to his head and eye before and was treated at the John Radcliffe Hospital He has since been discharged

A 28 year old man from Oxford was arrested on suspicion of one count of theft from a shop, once count of possession of a class A drug one count actual bodily harm (ABH), one count of possession of an offensive weapon and one count of assault of a person causing ABH

Investigating officer Sarah Williams from Oxford CID said "This was a frightening assault for the victim and I would ask anyone who may have been in the area to call police on 101"

Council-owned letting agency proposal to tackle rent hike

• From front page

The proposal would also look at scrapping agency fees and would be voluntary for landlords to sign up to.

As part of the same motion the Greens also floated the idea of having a council-owned public letting agency

Oxford topped the table of the most unaffordable place to live last year due to property prices outstripping earnings by 16 1 times, according to an Oxford University study

Green councillor David Thomas, who seconded Cllr Hollick's motion, said "The current situation is out of control at the moment last May the average price for two people to rent a property in Oxford was £1,200 That has now escalated to nearly £2 000

"This scheme would help lead to residents taking on longer tensancy periods as the tenants so they would know what they are going to be paying and will feel more financially secure in the long run

"It will have such a big impact as people will do anything to live and Oxford and we need to help these people out

According to property site home.co.uk, the average rental price for Oxford is £2 033 per calendar month, with a two bedroom house costing £1,837pcm

There are currently more properties in Oxford in the £1 000 to £2000pcm category than any other price category, with 692 properties listed whilst there are only 185 properties in Oxford in the £500 to £1 000pcm category

Bob Irwin owner of Oxford estate agents Martin & Co said, "Virtually everybody comes to Oxford here with a 12 month tenancy as it's a transient city and so people tend to move on which is why landlords tend to increase rents

"I think if this kind of scheme is rolled out it will push landlords away from staying in the private sector and that will be a disaster

"The cap has to be the right amount otherwise it will just not appeal to landlords."

Oxford City Council leader Bob Price said, "The city council having it's own letting agency has its own attractions and it's something we will look at

"Right now we need to work with existing agents to make sure they deal with their own tenants well."

Oxford school forced to change its name due to 'ISIS' jibes

AN Oxford school for children with special needs has changed its name to avoid confusion with a terrorist organisation.

The Isis Academy in Iffley Turn is now called the Iffley Academy.

The rebrand came after negative comments from contractors and visitors about its connection with terror group as called Islamic State also known as ISIS.

Formerly known as Iffley Mead School, the academy changed its name in 2013 because it lies near to the Isis section of the River Thames close to Iffley Lock.

The school, which has 132 students aged five to 18, was rated outstanding at its last Ofsted inspection in December 2014.

Signs for the school are in the process of being changed and the rebrand has seen the academy's name changed on its website.

PM's mum pens name to petition against cuts

By **Loughlan Campbell**

PRIME Minister David Cameron's mum has signed a petition opposing planned closures to Oxfordshire's children's centres.

Mary Cameron's signature backing the Save Oxfordshire Children's Centres campaign was called a huge embarrassment by protestors.

Oxfordshire County Council (OCC) is due to vote on the plans next Tuesday.

Spokesperson for Save Oxfordshire's Children's Centres, Jill Hunt, said: "I am delighted that Mary Cameron has joined the senior voices including that of her son the Prime Minister against the Conservative County Council's closure of Children's centres.

"It seems to be a bizarre situation where David Cameron is unable to defend children's centres against the cruel cuts he's allowed his own Government to impose on local authorities."

A statement from the campaign group said: "Mary Cameron's personal stand against the closures will also be a huge embarrassment to the Conservative county councillors who are pushing through their closure."

Mrs Cameron was reported to have been urged to sign the petition by Mr Cameron's aunt Clare Currie who lives in Oxford last year.

In November Mr Cameron penned a letter to OCC's leader Ian Hudspeth calling the proposed cuts "unwelcome and counter productive".

OCC is in the process of making £292million in cuts from 2010 to 2018 and will now have to make a further £60m by 2020 due to budget cuts from central Government.

The council plans to shut all 44 children's centres and seven early intervention hubs in Oxfordshire to replace them with eight larger centres.

Unite union members have also voted by 83 per cent in favour of strike action from Midnight on February 15 to Midnight on February 16, the same day OCC is set to decide on the budget cuts.

Staff from Oxfordshire's early intervention hubs are expected to take part.

Regional officer at Unite, Chris Gray said: "They have decided that they cannot sit back and watch while the council denies Oxfordshire's young people's future and destroys its top class children's early intervention service."

OCC leader Ian Hudspeth said: "We hoped our original savings options would be a worst-case scenario and that we would not therefore have to go ahead with them all.

"We are desperately sorry that we now have to consider these extensive savings.

"We want to protect the most vulnerable people in Oxfordshire – by which we mean those adults who need help with basic personal care and children at risk of abuse or neglect.

A full cabinet meeting will be held next Tuesday at County Hall in New Road where the council are set to approve the children's centre closures.

Chipping Norton firm is 'named and shamed'

A CHIPPING Norton firm was among more than 80 companies "named and shamed" by the Government for failing to pay the minimum wage to staff.

Business Minister Nick Boles released the names, addresses and amounts underpaid to staff by 92 firms after an investigation by HM Revenue & Customs.

He said the investigation revealed almost £1.9 million was owed to employees.

The list included Mall Jenkins trading as Mall Jenkins Dressage, based in Chipping Norton, who failed to pay £6,184.32 to an employee.

Mr Boles said: "There is no excuse for not paying staff the wages they're entitled to. Our policy of naming and shaming employers who ignore the law means there are consequences for their reputation as well as their wallets."

The national minimum wage rose to £6.70 last October and is due to increase to £7.20 an hour for those over 25 from April this year.

Since the name and shame scheme was introduced in October 2013, 490 employers have been named, with total arrears of over £3m and penalties of more than £1.1m.

Midwives head to 'The Jungle' to help refugees

By Jayne Smith

HEALTH workers from across Oxfordshire are heading to France to deliver food and provide emergency care.

First they need to raise £2,000 to hire vans and pay for transportation and buy "care packages".

They are also urging people to donate items, including food, blankets, camping equipment to distribute to refugees once they reach Calais.

The group includes midwives, obstetricians and gynaecologists and is made up of Rebecca Riordan and Natalie Shakespeare, who work at Banbury's Horton Hospital and Corah Obadike, who works at the John Radcliffe Hospital in Oxford.

Friends Sarah Ayre, based at Stoke Mandeville, and Hlupekile Chipela, based at St James University Hospital in Leeds, will also travel to France.

The team will leave England on February 28 for five days. Once there they will link up with Refugee Support First Aid & Care Team and spend much of their time providing medical help.

Ms Obadike said the women planned to provide "help in any way we can".

She said: "The refugee crisis has dominated headlines in the last couple of years and the hardship of and health risks in those affected resonated strongly with us.

"We have therefore pulled together under this unified cause to collect and transport donated items to refugee camps and provide emergency healthcare.

"We feel we have a moral obligation to help those in the refugee camp especially emergency health issues. A lot of vulnerable groups within the camp are not able to access some very basic care and help.

"The Calais refugee camp known as 'The Jungle' is the geographically closest one in which we can make a difference within the limited time we have."

She said as well as providing medical care the group wanted to take as many supplies as possible and said voluntary organisations there were in "desperate need" of some items.

These include cooking oil, rice, sugar, tea, coffee, tinned fish and tinned food, UHT milk and vegetable stock cubes.

Camping equipment such as tents, larches, sleeping bags and thick blankets are also needed.

Cloudy2Clear Windows – Service With A Smile!

It's been a crazy few months for Cloudy2Clear Windows. The company which specialises in repairing windows which are steamed up, broken or damaged by replacing the panes – not the frames – has grown rapidly as homeowners take advantage of their services.

Managing Director James Miller feels that it's all about service. "Our promise is simple. If your double glazing is misted up we can replace the glass at a fraction of the cost of a new window in any type of frame, and with a new 10 year guarantee. But it's not just about saving people money although that obviously helps.

Many tradespeople have struggled since last year and I honestly feel that during the good times a majority perhaps didn't focus on customer care as much as they should have done. We make sure we turn up when we say we will, do the job the customer requires and leave their house as clean as a whistle. I often get comments back from customers on how they really don't expect that sort of service which, in a way is very sad for the service industry as a whole.

Cloudy2Clear service Oxfordshire from their local depots and James is finding that his approach is a major factor in his success. "The results that it's not just the personal satisfaction that I get from doing a good job but also it makes good business sense. I get a huge amount of business from friends and family of people I've done work for, which just goes to show how much a little bit of effort is appreciated."

So if your windows are steamed up, broken or damaged give James a call for a free quotation on 0800 61 21 118 and he'll be happy to help!

Housing prices causing teaching shortage says Cllr

By Alex Ballinger

OXFORDSHIRE S education boss said the soaring cost of house prices in the county is a major cause for the shortage of teachers at primary and secondary schools

Cabinet member for education at Oxfordshire County Council (OCC) Melinda Tilley made the comments on Tuesday in response to a report highlighting the problem.

The report put together by county councillor John Howson said in 2015 there was a shortage of secondary school teachers in maths computing art, and design and technology

It said, "There was a significant demand for classroom teachers in 2015 from all secondary schools in the county

"At present, there are insuff cient training places locally to meet the demand from Oxfordshire secondary schools for staff

It added "In some subjects notably computing there is no local provision for training new teachers at this time

OCC S education scrutiny committee are sol to meet tomorrow morning to debate the shortage with local head teachers invited to speak

Amongst those set to address the committee are Paul James from Chorwell School Tracey Smith from Tower Hill Primary School and Dr Mary Wild, head of school education at Oxford Brookes University

Cllr Tilley said We need to get more housing here I think that's the biggest issue I don t think it s that people don t want to come to Oxfordshire

"Teaching shortages is a problem facing the whole country

The number of teachers recruited yearly is set by the Teacher Supply Model (TSM) which is run by the Government's Department for Education

In Oxfordshire the TSM was not met in met 15 different subjects

The biggest shortage of teachers was in design and technology (41 per cent of TSM) followed by art and religious education (63 per cent each) The report found that there were 13 034 postgraduate primary school trainee teachers in 2015 and 15 114 for secondary

Both showed an increase from 2014 by 2 143 for secondary trainees and 252 for primary

However the report also said the number of trainees fell in computing, music and business studies

It concluded If demand from schools in 2016 remains at the levels seen in 2015 the increase recruitment nationally in some secondary subjects may not be sufficient to meet the demand "

Knife amnesty art

OXON Knives surrendered at Oxfordshire police stations until Sunday as part of a weapons amnesty will be used to form a piece of art.

They can be handed in to front counters in Oxford, Abingdon, Banbury, Henley, Cowley, Didcot, Witney and Bicester.

The work of art by the British Ironwork Centre is to be displayed at Trafalgar Square in London.

Window smashed

BICESTER Burglars smashed a kitchen window to break into a property in Chestnut End.

Police said the incident happened between Sunday January 31 and Thursday February 4 but have not revealed what was stolen.

Half-term sport

BICESTER Sport activators will be helping to keep young people entertained during half term Monday February 15 to Friday 19.

Cherwell council staff will tour the district's parks setting up games and sports activities.

Sessions take place in Bicester on Monday at Keable Road park, from 2pm to 3pm, and Wednesday at Kingsmere park from 3.30pm to 4.30pm. Activities are free and children aged eight to 16 can just turn up.

Consultation launching over developer levy plan

By Jayne Smith

DEVELOPERS could be forced to pay more towards community facilities across Cherwell if a new charge is approved.

Last year new government rules came into effect limiting the financial contribution developers had to make for infrastructure projects including building school, roads and leisure facilities.

Now Cherwell District Council's executive has agreed to look at introducing a community infrastructure levy – a scheme introduced in 2010 to make developers pay for any shortfall.

Cllr Michael Gibbard, Cherwell's lead member for planning, said: "What the community infrastructure levy would do is introduce a new charge on developers which would pay towards any gaps in funding brought about by these contribution limitations.

"We are still only in the early stages of considering this levy but have agreed to endorse a draft charging schedule so we can set out a basic timetable to further explore this option."

Cherwell will need to show there is an infrastructure funding gap.

Town and parish councils would also benefit from the levy as they would get 15 per cent of the funds raised by development within their town or parish, and 25 per cent once a neighbourhood plan has been adopted.

Neighbourhood plans are a chance for communities to say where they want future development to take place.

Independent town district and county councillor Les Sibley welcomed the move. He said: "With all the development going on in Bicester we should have our share.

"My only concern is we could have missed the boat. We have got lots of development already taking place in Bicester so the question we need to ask is: is it retrospective.

"Overall I think this is good news. We as a town council need to get a neighbourhood plan in place."

The levy is intended to provide a more flexible alternative to the existing Section 106 funding mechanism, where contributions can only be used to support infrastructure projects associated with specific developments.

An initial six week consultation will take place in March, followed by a second in September. A hearing over the levy proposal is expected to take place in December and the new policy could be in place next spring.

Oxford scientists fight worldwide spread of devastating Zika virus

An Aedes aegypti mosquito

WHAT IS ZIKA?

- Zika is a virus first discovered in Africa in the 1950s spread by mosquitos primarily the Aedes aegypt type
- It causes flu-like symptoms as well as Guillain-Barre Syndrome which can lead to paralysis And it has also been linked to a serious birth defect in children called microcephaly causing abnormally small heads and brain damage.
- The World Health Organization announced a public health emergency of international concern last Monday
- The virus is now in at least 37 countries across the Americas including Texas in the United States And last Thursday Spain confirmed the first case in Europe.

By **Loughlan Campbell**

MOSQUITOS being genetically modified by a Didcot firm are to be released in Brazil to combat the spread of the Zika virus

Biotech company Oxitec based at Milton Park is leading a pioneering project to tackle the disease using mosquitos altered in their own labs which are then released into affected areas

The virus, which is spread by Aedes aegypti mosquitos and linked to serious birth defects, has been spreading rapidly through the Americas since an outbreak in May last year Brazil now has about 1.5 million reported cases

Oxitec breeds mosquitos in its Milton Park facility and injects the eggs with a gene which means the offspring of that mosquito will die before adulthood – aiming to shrink the population of Aedes aegypti mosquitos and limit the spread of the virus

CEO of Oxitec, Haydn Parry, said, "It could be years before we develop a vaccine for Zika and our main aim right now is to reduce the population of this mosquito This is the perfect mosquito for spreading viruses and Zika won t be the last virus spread by it

"At the moment there is an element of doubt as there s no confirmation that every single woman bitten by this mosquito will develop the virus"

After the eggs are modified they are flown over to factories in countries with a high mosquito population where the male mosquitos are raised and selectively released into towns and cities

The males then mate with the native females and the self inflicting gene is then passed into the offspring (larva) However the larva then die before reaching full adulthood

The company started trials in the Cayman Islands in 2010 and extended them into the cities of Juazeiro and Piracicaba in Brazil where their finding show the population was reduced by 90 per cent in cases

Oxitec have currently one mosquito production facility in the city of Campenas in Brazil and are currently in the process of building another facility in Piracicaba after the success of their trial periods with the most recent trial being carried out a month ago

Mr Parry added, "This a very common mosquito that are currently in their billions in Brazil.

"The reason they are so effective is that they tend to fly only 200 yards in their lifetime and they tend to stick to where people are you won t find them out in the fields as they are more likely to be in and around people's homes"

Last Monday the World Health Organisation announced a public health emergency of international concern

Three deaths in Columbia were reported on Thursday by Columbia's health minister Alejandro Gabiria as a result of Guillan Barre syndrome linked to the Zika virus

And the virus is also suspected of causing newborn microcephaly (brain shrinkage) with 404 cases linked to the virus confirmed and a another 3 670 cases still being investigated.

There is no vaccine or cure for the virus

New Zika test found

AN Upper Heyford biotech company is also playing a key role tackling the Zika virus

The Native Antigen Company at Cherwell Innovation Centre has developed its own way of testing for the virus

Scientists have produced a Zika virus NS1 protein made from human cells which can be used in a kit to test if somebody is infected with the Zika virus The results show even if they have no symptoms months or even years after becoming first infected

Native Antigen is developing the diagnostic kit with government agencies to launch it ahead of the Rio Olympic Games in August.

Dr Nick Roesen chief scientific officer at Native Antigen said, "We have been selling Zika NS1 protein worldwide and are already on our third production run since December

"Our unique protein enables a greater spectrum of serological tests to be developed which will help diagnosis and epidemology

Parents of Jack Letts arrested by cops for sending cash to Syria

By Loughlan Campbell

THE parents of an Oxford man dubbed 'Jihadi Jack' in national media have been arrested after trying to send money to their son in Syria.

Jack Letts, 20, became the subject of intense media speculation after police confirmed last month that counter terrorism officers have been investigating him since March 2015.

He travelled from Oxford to Syria in early 2014.

Mr Letts' parents Sally, 53, and John Letts, 55, told broadcaster Channel 4 News they have since said that they were arrested by police for trying to send Jack money to pay for food and glasses.

In a televised interview broadcast on Thursday, the couple relayed their fears over the safety of their son and revealed he suffers from a severe form of obsessive compulsive disorder (OCD).

Sally told the broadcaster: "My greatest fear is that he won't get out of this alive.

"It's the worst feeling in the world. You feel completely helpless.

"I mean your child's out there who has no support and they're still reliant on you.

Jack left for Syria without telling his parents where he was going and has since told them he is carrying out humanitarian work.

He dropped out of sixth form at The Cherwell School when he was 17 due to the struggles he had with his OCD and turned to Islam to provide himself with comfort according to his parents.

His father John Letts told the broadcaster: "It started to go downhill very quickly and he started struggling at school more. He could not read and he could not focus.

"I think it's crazy that we can't send a penny to our ill son and help him because we'll be seen as supporting terrorism.

The couple described their son as the class joker and an energetic inquisitive boy.

Sally insisted in the interview that he had not joined so called Islamic State as he would have told them.

She said: "We've directly asked him and if he was a fighter I personally think he would tell us as most of the people out there that are fighting are quite open about the fact that they are fighting.

"We've done everything in our power to find out and the police say there is no evidence he's been involved in radical behaviour."

Thames Valley Police's South East Counter Terrorism Command said: "We are aware of recent reports in the media regarding a 20 year old man from Oxford travelling to Syria and can confirm we are investigating.

"We can confirm a 55-year-old man and a 53 year-old woman from Oxford, were arrested on suspicion of sending money to Syria which could be used for terrorism purposes."

The couple have been bailed until next Wednesday.

Body found in Oxford believed to man missing for 84 days

A BODY found on land off Botley Road in Oxford on Sunday is believed to be that of missing man Trae Van Merlin.

The 41 year old was last seen 84 days previously at around 4pm on November 16 last year in Helen Read, Botley.

He had moved to Botley three weeks before.

Thames Valley Police described the death as 'unexplained but not suspicious'.

Officers were called by a member of the public at 3.30pm to land just off Botley Road where the body was found.

A file is being prepared for the coroner's office.

An inquest into his death has not yet been opened.

Mr Van Merlin's family have been informed and the family have asked for privacy.

The Bloodhound rocket car (picture courtesy of Flock and Siemens)

1000mph rocket car's world record attempt is delayed

THE Didcot-based team behind the 1,000 miles per hour land speed record attempt have announced delays to the project because of funding issues.

Bloodhound SSC, which moved its headquarters to Didcot's UTC Oxfordshire last year from London, had planned to test their rocket car in Cornwall early this year but this has been delayed until later in 2016.

An 800mph world record attempt was due to take place later this year but this has been pushed back with the full 1,000mph attempt set to take place after that.

Project director Richard Noble, said: "The most difficult part is behind us: we have designed and built the world's ultimate racing car and prepared the best land speed racing track in history.

"What we need now are the funds to run the car and money is just a function of perseverance and timing.

"Doing something truly unique on a global scale with such high technology is never easy.

"But that makes the story we're sharing with millions of supporters all the more interesting."

The car is set to be driven by former Royal Air Force Pilot Wing Commander Andy Green who holds the current land speed record.

A South Africa based team has cleared more than 10,000 tonnes of stones over the last five years at the Hakskeen Pan in the Northern Cape to prepare the 12 mile long track.

The Bloodhound team said the project has been delayed as a number of major funding deals are still in negotiation.

New flooding scheme to keep Botley Road open

ONE of Oxford's major roads could be saved from shutting during floods by a new underground pumping scheme unveiled on Friday.

The £50 000 project for Botley Road would see water directed through new piping installed under the roads using a high volume pump.

Businesses lost thousands of pounds and residents endured traffic chaos when Botley Road and Abingdon Road shut for several days in 2014 due to flooding.

The system was trialled for the first time at Botley Road by firefighters from Oxfordshire County Council Fire and Rescue Service.

Head of operations for Oxfordshire County Council (OCC) Fire and Rescue Service Mat Carlile said: "There's always a possibility of them bursting but it's unlikely.

"This is about keeping Oxfordshire moving. This will be a great help."

The new 400m piping running under Botley Road was installed in July last year and will mean water can be pumped from the floodplain north of the road to St George's Field on the south of the road.

By **Alex Ballinger**

When the River Thames bursts its banks north of Botley Road a team of 12 to 15 firefighters can be deployed with the pump from Banbury arriving at Botley Road in around half an hour.

The crews will then take around an hour to set up the equipment to drain the water along the pipes under Botley Road and Lamarsh Road before it enters Bulstake Stream.

During floods in 2014 high volume pumps were used in Abingdon Road and Botley road, but the piping system was temporary and ran overground meaning cars could not drive over them.

The underground pipes installed in Botley Road mean cars will still be able to pass.

The scheme will act as a temporary solution to flooding while a £120 million long term flood prevention project is completed.

Members of the public are currently being consulted on the Oxford Flood Alleviation Scheme with work due to start in 2018.

OCC deputy leader Rodney Rose said: "This is an interim scheme to keep Botley Road open. We have developed the plan having learned from flooding in previous years.

"We can't guarantee these roads will never flood again as no one knows what mother nature might throw at us but there is now a much greater chance of the roads staying open."

Oxford also flooded in 2000, 2003, 2007, 2009, 2011, 2012, 2013 and 2014.

Council merger to save £50m

TWO Oxfordshire councils have signed up to outsource back office services to save £16 million in nine years.

South Oxfordshire and Vale district council signed up to merge with three other councils to save £50m between them.

Two external companies will now run departments at the five councils like human resources and IT.

Leader of South Oxfordshire District Council (SODC) John Cotton said: "The bigger picture here is that many councils are having to cut frontline services due to pressures on their budgets.

"We spotted this opportunity to make significant savings early on so we were in a better position to weather any future financial storms and in order to continue to provide the most efficient public services possible."

The two Oxfordshire councils will be working with Hart District Council and Havant Borough Council in Hampshire and Mendip District Council in Somerset.

Last Thursday London-based company Capita were awarded the contract to deliver corporate services like finance, IT and HR. French company Vinci will handle facilities management and property services.

The merger is expected to start in August.

Vale and SODC spokesman Gavin Wallon said that the councils are not planning any job cuts.

Burglar jailed

OXFORD: A prolific offender from Yarnton has been sentenced to three years and three months in prison after burgling a house in Botley last year.

Wayne Ronald Axtell,33 (pictured) of Park Close was found guilty by a majority verdict at Oxford Crown Court on February 3 following a one day trial.

He burgled the home in Finmore Road on March 11 last year between 12.45pm and 3pm. The back door was smashed in and a laptop and clothes were stolen.

Investigating officer Rob Turpin from Abingdon CID said: "Axtell is a prolific offender and we are very pleased with this sentence."

OXFORD: A new public order to combat nuisance behaviour in the city centre came into force last Monday.

It can lead to £100 penalties.

Escaped paedophile deported and jailed

By **Alex Ballinger**

A PAEDOPHILE from Lutterworth who escaped to Hong Kong on the eve of his court trial was extradited back to the UK on Friday to start his 15-year jail term.

Joseph Tsang, 31, of Sandy Lane, sparked an international manhunt when he fled to Asia before his second trial at Oxford Crown Court in August last year.

The amateur ice skater was found guilty of sexual offences against a girl under 16 in Oxfordshire in January last year, and was convicted in his absence to two rapes in Hampshire seven months later.

Investigating officer at Thames Valley Police Detective Constable Claire Nangle said: "I am reassured that Tsang is now back in the United Kingdom where he can be held to account for the crimes he committed and start his long prison sentence.

"I would like to command the victims in this investigation for the bravery and courage they have shown, as well as the hard work of all staff and officers within the police and Crown Prosecution Service who secured Tsang's convictions."

Tsang was arrested in Hong Kong in September and sentenced at Oxford Crown Court in his absence to 15 years in jail in October.

Hampshire Constabulary police officers travelled to Asia to help extradite Tsang.

Police had warned the deportation process could last between eight weeks and two years.

On August 25 last year he was found guilty of two counts of rape and two counts of sexual assault by penetration which took place in Hampshire following a six day trial.

In January Tsang was found guilty of one count of making indecent images of children, two counts of causing/inciting a female under 16 to engage in sexual activity and three counts of sexual activity with a child under 16 years-old.

• Oxford Crown Court

• Joseph Tsang

These offences took place in Oxfordshire.

Speaking last year his Oxfordshire victim said: "Nothing will ever repair the emotional scars that have been left upon me...however I now hope to put all of this in my past and move forward with my life."

Truckers fined nearly £2,500

FIVE truckers have been fined nearly £2 500 for flouting bridge and lorry weight limits in Oxfordshire last year

The drivers were prosecuted for offences in Enstone Islip and Charlbury at Oxford Crown Court last Monday by Oxfordshire County Council's trading standards team

Marcin Mieczyslaw Gruba, 35, of Burton on Trent in Staffordshire Richard Harrison 35 of Bolton Le Sands in Lancashire and Barry Stapleton 66 of Chipping Norton, all admitted breaching the 7 5 tonne limit at Enstone last July

Gruba was fined £452 and Harrison £559 for breaching the weight limit by 36 5 tonnes driving 44 tonne trucks through Enstone Stapleton was fined £452 for driving his 28t truck through the village

Martin Cox, 33 of Sheerness in Kent was fined £405 for driving his 44t truck through Islip last June breaking the 7 5t limit James McCue 51 of Chester Le Street in County Durham was fined £570 for driving his 31t truck over 7 5t limit Charlbury bridge last May

Jody Kerman, trading standards operation manager said "It may be tempting for drivers to ignore such regulations for a short cut, but by doing so they are potentially putting other road users or roads and bridges at risk."

Inspector questions 1,400 Harwell homes

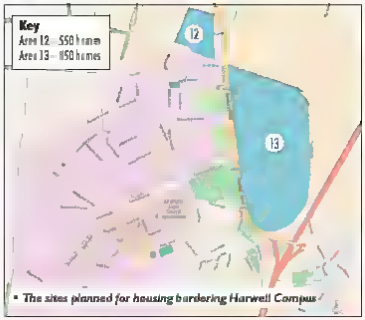
By **Alex Ballinger**

A Government planning inspector has challenged a council's decision to allocate space for 1 400 new houses at Harwell's science campus

Vale of White Horse District Council's Local Plan 2031 states the homes are needed for staff at Harwell Campus which it estimates will get 9 000 new jobs

But inspector Malcolm Rivett who is examining the plan until next Friday, suggested employees at Harwell would not necessarily choose to live in the homes

Mr Rivett said "Is there any evidence that shows X number of houses are needed to support the economic development? Is there hard evidence from anybody any firm any employee or potential employee who said they're not coming because you can't provide the housing?"



The sites planned for housing bordering Harwell Campus

The council and the Harwell Campus Partnership which runs the site said the houses are needed for staff as jobs numbers grow

Partnership representative Stephen Ashworth from Kemp and Kemp property consultants said "Yes is the short answer We can provide a statement from the partnership that says we've had that evidence"

Vale's Local Plan 2031 is a blueprint earmarking space for where 20 000 homes will be built across the district. It includes 1 400 at two separate sites next to Harwell Campus

The campus is set to grow to 9 000 jobs by 2031 but the planned development has been criticised by groups including representatives from the North Wessex Downs AONB and the Campaign to Protect Rural England (CPRE) Oxfordshire

Both sites lie in an Area of Outstanding National Beauty (AONB)

CPRE Oxfordshire director Helen Marshall said "There is no real need for this much housing at the Harwell Campus

"The Vale is supposed to balance housing targets with social and environmental constraints It hasn't done this if it had it would never have proposed this many homes in a nationally protected landscape

"We would like to see the inspector reject this proposal and protect the AONB and see the Vale reduce its overall housing target accordingly"

The second stage of the Local Plan public examination started last Tuesday at The Beacon in Portway Wantage and will continue until February 19

Mr Rivett will hear statements from local interested groups developers and councils including Vale and Oxfordshire County Council and consider the soundness of the plan.

He will then publish a report on the plan with precise recommendations which may include modifications

Senior planning policy officer at Vale council Andrew Maxted said "The number of jobs projected in the science Vale area is 16 000 jobs and this will be provided primarily by Harwell and Milton Park The total number of homes required in the science Vale is 11 000 If we're looking at the ratio of jobs to homes the number of homes would be much higher"

• Hayley Tamaddon as Roxie Hart

Chicago, And All That Jazz

SHOWGIRLS adultery, murder and greed of the American 1920s are roaring into Oxford

Chicago is gracing the New Theatre stage from Friday February 12 until Saturday, February 20

The Broadway and West End musical is based on real life and stars Hayley Tamaddon (from Coronation Street) as Roxie Hart, John Partridge (of EastEnders) as Billy Flynn and Sam Bailey (X Factor's 2013 winner) as Matron Mama Morton

Jailbirds nightclub singer Roxie and double murderess Velma Kelly fight to stay away from death row

They enlist the help of smooth talking lawyer Billy Flynn in their plight to prove innocence.

"I'm literally the most excited I have been for while," Hayley told the Guardian

"I watched the girls perform the tango recently and I cried at how good it was. I cannot believe that I am part of a phenomenal cast. It has been absolutely amazing."

By James Richings

The 1926 play was originally written by Maurine Dallas Watkins and became a musical in 1975

Watkins wrote the play after reporting on the murder trials of two women for the Chicago Tribune

Chicago the musical became a household name when the 2002 blockbuster was released, in which Renee Zellweger portrayed Roxie and Catherine Zeta Jones played Velma

The musical is on a tour around the UK over the next six months and includes sassy scores such as "All That Jazz" and "Razzle Dazzle"

And theatre life is a world away from Hayley's usual TV schedule, but the soap star is on a mission to cast off the Coronation Street character of Andrea Beckett to embrace the role of Roxie Hart

"There is a little bit of me in the part, a little bit of cheekiness and hopefully I've done the character justice," she said

"There have been some brilliant people play Roxie over the years so it is an honour to be playing the part."

Having honed her acting abilities Hayley will be warming up her vocal chords

Before her big break with Emmerdale before Coronation Street she was singing in her friend's band and got the call up while driving a van full of the band's equipment.

New Theatre is hosting 11 Chicago shows suitable for anyone over 13 and tickets cost from £15 to £45.50

Rom-com in Didcot

PERFORMING arts students from Abingdon and Witney College will be tasked with bringing a new play to life at the Cornerstone Arts Centre in Didcot at 8pm next Wednesday February 17

Baking bread with the cast of 'Toast'

• Matthew Kelly as Nelbe in Toast

FROM the brains behind global hit One Man Two Guvnors comes Richard Bean's first professional play Toast.

The 1999 classic will be at the Oxford Playhouse for a five-day run from Tuesday February 16 until Saturday February 20

It follows seven bakers from Hull working their monotonous night shift until they find themselves at the forefront of drama on the factory floor

"It was during the days when health and safety was not an issue," said veteran actor Matthew Kelly who plays Walter 'Nelbe' Nelson

He's like the walking dead – battered by a lifetime of hard labour – but is the emotional heart of the play as it is a big hearted, incredibly moving play about real people within a real community and I feel very honoured to be playing one of them again.

"Oh and of course it's very funny"

Toast first premiered at the Royal Court Theatre in London 17 years ago and firmly placed Bean on the list of promising playwrights

His strong listing of plays written up until 2014 includes titles such as Pitcairn and Made in Dagenham

By James Richings

Toast's 2016 tour started this month and will head to Malvern Norwich Bath Guildford Cambridge and Nottingham as well as Oxford before jetting across the Atlantic in April

"I've actually never played New York so it's absolutely thrilling to be going there with Toast" Matthew added.

"Off Broadway is especially exciting because the venue we're going to – 59E59 – is hugely respected and well known in Britain.

"However you don't have the huge pressure of the commercialisation of Broadway like you do with the bigger venues in New York.

"We can relax, do our job and enjoy ourselves without worrying about that side of the business."

Matthew won an Olivier Award for Best Actor for his portrayal of Lenny in Of Mice and Men – and is well known to British public for presenting, Stars in Your Eyes from 1993 to 2004

The play is suitable for over 14s and costs £15 to £31.

'Death in Didcot' a hit

Didcot's Cornerstone Arts Centre was graced on Saturday night with performance from the award winning play Austentatious An improvised Jane Austen Novel

It was the second time in recent months the cast had descended on Oxfordshire after the Wantage Belfermin Literary Festival was treated to a standout performance last October

Saturday's parody offering of the classic novelist's work was titled Death in Didcot and saw the cast of five investigating a spate of murders in the town surrounding the arrival of a mysterious Lord Balhurst

The show started slow with the players struggling to ease into their unscripted roles

But by the second half the cast were firing jokes fast and the farce flowed freely to a satisfying conclusion

The original concept wit and overall silliness of Austentatious make it an improv masterpiece

Keane takes centre stage

AN evening of music storytelling and laughter will entertain when musician and comedian Dillie Keane arrives at the Theatre in Chipping Norton on Friday February 12.

Known for being one third of comedy and musical troupe Fascinating Aida the entertainer arrives at the Spring Street theatre as part of a rare solo tour which started on February 10 in Southend and finishes on March 24 in Manchester.

I think I must be descended from a long line of itinerants because there's nothing makes me happier than hitting the road again," the 63 year old said.

"I'm delighted that my little show is getting a longer shelf life and I've got a chance to do it in the places I love – our British provincial towns.

"You can take a chanteuse out of the provinces ."

The run of shows as a solo entertainer came as a shock to many Fascinating Aida fans who know Dillie

By **James Richings**

alongside co stars Adele Anderson and Liza Pulman.

However following a total of 26 UK and international tours since the group's inception in 1983 Dillie decided 2016 is the right time to embark on her own show.

Although she does plan on returning to reform the group with fresh material in 2017.

Dillie and her fellow entertainers have been nominated for eight awards since the 1980s including three Olivier Awards in 1985 2000 and 2004 in the Best Entertainment catergory.

"You see I only decided to do the show because my dear old pal and colleague from Fascinating Aida Adele Anderson wanted to go on holiday to North Korea," she said.

"So I couldn't bear the idea of sitting home twiddling my thumbs.

"However when I was rehearsing the show I found out that Adele was not heading East at all.

"Instead she has taken a detour through the North Korea of Poorliness travelling via the chemo day clinic and the hospital ward – poor love.

"So I suddenly found myself doing the show for rather longer than planned.

"Buoyed with the happiness of this result I can set off on the road once more in the knowledge that she's getting back in full strength again for Fascinating Aida's full time return in 2017."

Supporting the Portsmouth born entertainer will be pianist Michael Roulston.

Tickets cost £21 with the gig starting at 7.45pm.

British car named safest in Europe

The Jaguar XE

THE Jaguar XE was named the safest large family car in Europe last month after being put through a series of tests.

The European New Car Assessment Programme (Euro NCAP) examined the car in different categories to find it beat the rest in its class as large family car for 2015.

The Jaguar XE was unveiled in September 2014 and released for sale in April last year.

It scored 92 per cent in the side barrier impact test for adult occupant protection and with technology including autonomous emergency braking the XE also performed well in the safety assist pedestrian protection and child occupant protection categories.

Michiel van Ratingen, secretary general at Euro NCAP said of the Jaguar's success: "Euro NCAP gave its top honours to the Jaguar XE which offers the highest levels of occupant protection and avoidance technology and rewards the XE as best in class of 2015 in the large family segment.

By James Richings

"Euro NCAP particularly congratulates Jaguar for making all important safety assist features standard equipment."

A panel of 58 car experts in Europe has shortlisted the XE as one of seven cars in contention for the European Car of the Year 2016 title.

"The Jaguar XE has already been widely praised by the world's media and by our customers as being a benchmark model for its design, handling and low cost of ownership figures," Jaguar Land Rover UK managing director Jeremy Hicks said.

"We're thrilled to now add Euro NCAP rated best-in class safety to that list.

"The Euro NCAP tests are extremely thorough and competition in this class is formidable which makes this latest accolade an outstanding achievement."

FULL AND PART-TIME COACH DRIVERS REQUIRED

Tappins Coaches has undergone a major transformation over the last 3 years. Our fleet replacement programme is almost complete with a further 24 new vehicles currently in the course of delivery. As a result we are looking to strengthen our Didcot based driving team.

We are looking for experienced, smart, flexible and customer focused professionals. Our work includes home-to-school transport, rail replacement, express service, corporate charter and multi-day touring both in the UK and mainland Europe. The amount of stage carriage work currently undertaken is very small, so applicants from that background will need to demonstrate a clear desire and ability to quickly adapt.

The current rate of pay (including merit bonus) is £12.00 per hour, and you will be entitled to 34 days annual leave. All full-time drivers are guaranteed 160 hours per 4-weekly pay period.

If you have other commitments which mean you are unable to work on a full-time basis, we have a large volume of home-to-school evening and weekend work which we could offer you on a part-time or casual basis.

Please contact us on: 01235 519412 or email your details to simon@tappins.co.uk

Ballard plans to stay at Didcot for next season

By Loughlan Campbell

DIDCOT Town's interim player manager has expressed his desire to remain in his role next season ahead of contract talks with the club

Andy Ballard 30 has been leading Didcot on a temporary basis since the surprise departures of Ian Concannon and Jamie Heapy in December

The midfielder now feels that he certainly plans to keep hold of the reins at the Loop Meadow until next season whilst keeping his boots for whenever he is needed.

He told the Guardian "The ball is firmly in my court right now on any decision I want to make

"Right now I certainly want to carry on in this role I'm in the best place right now to start a managerial career in non league

"This is the best place to learn my trade as I know the club and everybody who works with it inside out and I feel like I've got their support moving forward It's the perfect platform for me"

Ballard is due to sit down with the club's board in the next few weeks to decide on his future

The club were unable to play at Taunton town on Saturday due to flooding at their ground and previously had their match with Wantage Town abandoned as well due to flooding last month

Ballard says it's been a frustrating time for the players with the delays as their fixture list ends up looking more congested.

He said "It's a very frustrating time for us right now as we just want to get on the field and play as we're playing very well right now"

Former Diddy striker John Mills has continued his thirst for scoring goals with the forward netting 36 goals so far this season for Hereford in all competitions

The striker made the departure to Edgar Street over the summer but Ballard maintains the door is always open in case the striker wished to return

He said "The budget that the club operates on would mean that we wouldn't be likely to afford to bring Millsy back in however he's a great lad and it's fantastic what he's doing at Hereford

"The door is always open for a return should he look for it."

Didcot are set to face off against Winchester City on Saturday at the Loop Meadow Stadium from 3pm

United Women routed 10-0

IT was a disastrous day for Oxford United Women on Saturday as their FA Cup campaign ended in horrifying fashion after they were beaten 10-0 at Brighton

The horror show began early as United were a goal down within two minutes when a ball over the top allowed Amy Taylor to burst through and tap the ball home

Within minutes it was two for Brighton after Taylor played in Sophie Perry to slide the ball into the net.

Kat Nutman and Mollie Dyer both went close for Oxford as they sought to get back into the game before a deflected Kate Natkiel shot rebounded in off Rosie Lane

Charlotte Gurr then made it four for the home side after she fired in from the edge of the area before half time

Taylor then made it five just after the break poking home at the post before Natkiel grabbed another for Brighton rolling the ball past Demi Lambourne

It was then seven for the home side with Natkiel thundering home an effort from just outside the area.

There was still time for Natkiel to complete her hat trick substitute Lisa Fulgrence to grab a goal and Gurr to score again in a miserable afternoon for United.

Testing begins ahead of new season for Bradley Smith

BRADLEY Smith says his team has a clear direction of where they are going as testing for the new season begins

The Monster Yamaha Tech3 rider concluded his opening testing with the squad in Sepang last week

The Oxford rider has got his eyes firmly set on what the new season holds as he prepares for the 2016 MotoGP World Championships

Smith said following testing. "It's been a good three days and we completed 99 per cent of what I wanted to test which is a positive conclusion

We also thoroughly worked on the electronics in order to keep as much grip as possible when the tyre drops and by doing a race simulation I got to sample this first hand.

"The results have given the team a clear indication of what they need to improve and I'm sure we can take advantage of the data we've gathered.

Smith completed 176 laps over the course of the three days coming in tenth in the combined standings

The 25 year-old was the only rider to sample the Michelin intermediate tyre after a heavy downpour of rain.

Up next for the rider is more pre season testing in Philip Island near Australia.

Weston rip apart Blues in surprise 5-2 mauling

By Loughlan Campbell

OXFORD City were shell shocked in a 5-2 defeat at league strugglers Weston Super Mare on Tuesday night

The Blues Josetxo Lapuyade and Matt Whichelow netted for City either side of the whistle as Weston demolished a nervy looking Oxford defence

Justin Merrill's side struggled from the off to create any real chances and on the 19 minute mark they fell behind in the worst try conditions to Ben Withey

The goal shocked the Blues into life but they couldn't break down the home side who needed a win to get out of a potential relegation dogfight

Scott Wilson then sent the home fans into jubilation as he netted a second goal just after the half hour mark.

Oxford began to win more of the ball and Lapuyade then grabbed his side's first goal on the stroke of half time as Merrill urged his side onwards

Following a supposed dressing-down from Merrill in the half time break, the Blues marched out with renewed confidence in the second half

However the Weston goal was not budging and the home side then extended their lead to Oxford's shock in the 67th minute when Wilson added his second of the day

Just five minutes later Oxford struck back, with Whichelow grabbing the goal to try and lift his side into the fight.

However Weston were not having any of it and defender Syd Camper found the net to lift his side into a 4-2 lead

Oxford were downhead following the goal with Weston enjoying plenty of the ball as they looked to run the clock down.

The result was then sealed in sloppage time with Tristan Plummer adding a fifth for the home side to give them a surprise win on the net.

The loss is a devastating blow to Oxford's chances of making the play-offs as City fall to seventh in the table

Chinnor pull of surprise win

CHINNOR raised their game in momentous fashion to thwart potential league champions Old Albanian 17-5 on Saturday

Old Albanian playing at home, were struggling to compete with a gale force wind blowing against them from the start and Chinnor restricted their opponents to running rather than kicking

The away side got themselves in front after 30 minutes on the clock with Oscar Heath intercepting an Albanian pass to run 30 metres unopposed to score a converted try

Chinnor were driving against the wind in the second half and had to withstand strong pressure from the home side who drove at the heart of the Chinnor defence

Heath then become Chinnor's hero grabbing his second try of the day after snatching an Albanian pass and running a 50 metre sprint to cross for an unconverted try

Scrum half Greg Goodfellow stepped up and sprinted through the Albanian defence only to be brought down ahead of the line before the ball was flicked on to Sam Angell who crossed to make it 17-0

Albanian did snatch a try with five minutes to go after full back Nick Foster crossed and the conversion attempt was wide

The result means Chinnor stay in 14th on 37 points just two points of Dorking and Bury St Edmunds

Thunder too strong for the Oxford Stars

OXFORD City Stars unluckily fell to a 3-1 defeat against Milton Keynes Thunder on Sunday after narrowly beating Wightlink Raiders 5-4 away the previous day

The game, which is now viewed as the John Cartwright Trophy game started fast and frenetic with both sides giving away early penalties

It was the Thunder who struck first in the tussle with ex Star James Clarke finding the net against his former team in what was his first goal for his new team.

Two minutes into the second period saw the Thunder double their lead through Nathan Long whose shot found the net by hitting off the shoulder of netminder Tom Annetts

It was then 3-0 to the Thunder after Jake Florey went into the sin bin for cross-checking and Alex Whyte scored from the powerplay

There were a few more altercations in the tussles that followed the goal with Ben Ealey Newman getting a 10 minute misconduct penalty

The Stars were more composed in the third period despite losing Josh Florey to two 10 minute penalties

With three minutes left on the clock the Stars finally found the net through Andy Cox after neat play between him Jake Florey and Boris Kuzicka

In the game against Raiders the Stars managed to grind out the result in what was an extremely tight affair with Alan Green grabbing a double and Benjamin Ealey Newman, Joe Edwards and Ondrej Pekarik netting the goals for City

Green grabbed the opener inside 65 seconds before Pekarik latched on to a Josh Florey pass to double the lead

Ealey Newman then made it three on the counter-attack in a power play but Danny Ingoldsby grabbed a last minute reply for Raiders in the first period

Green added his second of the game in a fast opening second period before Nick Compton made it 4-2 whilst Stars had to contend with two penalties

Joe Edwards made it five for the Stars in the third period before the Raiders Jeremy Cornish and Jaroslav Cesky netted to make it a nail biting final few minutes

Late goal gives Oxford win in local derby

A TIGHTLY contested derby between Oxford Hockey Club's ladies firsts and Oxford Hawks' ladies seconds led to a win for the former in South League Division 2 on Saturday

It was tense right from the off and Oxford Hockey managed to keep the Hawks at bay in the opening period

With four minutes on the board, Oxford were in front after Annabelle Denly converted from close range

The home side pushed on and within 10 minutes a second goal came through Rachel Lammey who turned the ball home for Oxford Hockey Club

The Hawks came out fired up in the second half pressing down on the Oxford back line

Within 15 minutes, things were all square as Claire Werlinger scored from open play and then Kara Kerr stroked the ball home from a deflection off an Oxford defender

The game headed into the final minutes like it was looking for a draw and then the Hawks made a mistake with two minutes on the clock

The mix up allowed Catherine Reaney to find some space and coolly dispatch from close range to make it three to two

A double from Matt McKeown and Connor Savage wasn't enough as Oxford Hockey Club's men's firsts fell to a 4-3 defeat at home to Eastcote

STAGS STRIKE LATE U'S BLOW

By **Loughlan Campbell**

A DOUBLE from a resurgent Danny Hylton wasn t enough for Oxford United as a late goal from Mansfield Town sub Jack Thomas held the Yellows to a 2 2 draw at the Kassam Stadium on Tuesday night

The forward s first goals since November had set United up for the three points after they ral lied to overturn Matt Green s opener for the Stags in the first half.

However it was not to be as Thomas last minute equaliser meant that United are nine points behind league leaders Northampton with the U s remaining in third

tt was hard for United in the opening half hour with Jake Wright heading a Matt Blair effort off the line and a Chris Clements' free kick was deflected aff the walt

Mansfield were ahead on 22 minutes after U s keeper Sam Slocombe failed to clear a loop ing cross and Green headed home from close range

United soon hit back through nine minutes later when fosnee Jonjoe Kenny darted down the right and sent in a whipped ball for Hylton to nod home a powerful header to even things up

Slocombe was called into action before the break on 42 minutes to block out a James Baxendale strike that was dying towards the top corner

tnto the second half United went close with a Liam Sercombe long range shot and a Chris Maguire effort that was just wide

With just over 20 minutes to play United took the lead as sub Zeh Ismail played in a delightful cross for Hylton to smash it on the half volley to make it eight for the season for the number ten.

Maguire should have made it three on 75 minutes with a free-kick that just chipped of the top of the left hand post

Kemar Roofe came close as well heading an effort wide and forcing Stags keeper Scott Shearer into making a close-range save

Green s header came a minute into extra time after United failed to clear a corner and sub Thomas nodded the ball into the net to the horror of U s fans as the whistle blew shortly after
